

Found Gangster Poem

Joey Skee (February 09, 2010)

The following lines come from an email sent to i-italy.org editors who, in turn, shared it with me. The words are quoted verbatim and in the order in which they were written, but recontextualized here as verse.

I am very disappointed
I am praying you
You have to decide if

a true reflection

or rather be a marginalized

our Community

I hope you are smart enough to understand where your best interests

fringe element
the real

deprived you
precious
more valuable

I will be eagerly waiting
more importantly many others will
buried somewhere
